

# Hunt Middle School

## Afterschool Programs and Clubs

### 2023-2024

Hello HMS Families!

Thank you for your interest in the HMS Afterschool Program! Afterschool Clubs and Activities at HMS meet on select school days from dismissal until 5:00pm. Below is a list of clubs and activities available to all **registered** participants.

#### Important Information:

- Students report to the cafeteria after school (supper will be available!) Staff will check students in and club instructors will walk them to their after-school club space.
- Students may leave their activity early, but need to leave or be picked up by 5:00PM.
- Parents and Guardians, if you arrive early, please do not enter the building to pick up your student! Please call or text (802) 316-1454 to let the Program Coordinator know you have arrived, and your student will meet you outside the main entrance.
- Students may only attend in-person activities if they were in school in person that day.
- Students may not leave the HMS campus between dismissal and after-school. Anyone who leaves campus will not be allowed to come to after-school that day.
- **To sign up for specific clubs, reach out to Sarah Poutree at [spoutree@saraholbrookcc.org](mailto:spoutree@saraholbrookcc.org).**

A parent or guardian must register their student(s) in order to participate in after-school activities. Please contact Sarah Poutree at [spoutree@saraholbrookcc.org](mailto:spoutree@saraholbrookcc.org) if you need assistance with registration!

Supper is provided every day free of charge!

Registration

**Questions?** Contact Program Coordinator Sarah Poutree at [spoutree@saraholbrookcc.org](mailto:spoutree@saraholbrookcc.org) or text/call 802-316-1454.

# November Programs and Clubs

**Sports Club:** Get active with your friends and participate in various sports inside and outside! (Tuesdays 3pm - 5pm)

**GeneratorVT:** In this four week series, take trips to Generator Makerspace where you can learn how to use laser cutters and create take home designs! (Mondays 3pm - 5pm)

**Art Residency:** Work with a local artist to create sculptures out of recycled and repurposed materials. (Thursdays 3pm - 5pm)

**Games Club:** Come relax and enjoy playing your favorite board games with your friends! (Wednesdays 2pm - 4pm)

**Fishing:** Come fish with us in this short mini-series! We'll see what we can catch in Lake Champlain before the ice comes in. (Tuesday, November 7 & Tuesday, November 14 3pm - 5pm)

**Drama Club:** Read scripts, play improv games, and learn new tips and tricks to improve and practice your acting skills!

Note: This club requires consistent attendance.

(Mondays and Tuesdays 3pm - 5pm)

**Linking Engineering to Life (LEL):** Explore the field of STEM with us!

A program aimed specifically at middle school girls and non-binary youth who have historically been underrepresented in STEM fields.

(Fridays 3pm - 5pm)

# More Clubs!

**Survival Club:** Participants will learn how to be ready for and survive any disaster. They will learn how to adapt to situations in the moment and be ready for whatever life may bring. (Fridays 3pm - 5pm)

**Tutoring** will be available Tuesdays and Thursdays. Students can sign up after-school in the cafeteria for a 30 minute session. When not in tutoring, students will be able to participate in another club.
